

Vendor Requests

We want to thank you for considering Gas King as possible retailer of your products and services. We are always looking for new and innovative merchandise to sell in our convenience stores.

Your product or service must be competitively priced, packaged with UPC code that will scan and be appropriate for our business.

Your company will need to offer exceptional customer service, be in a strong financial position and have a proven track record of performance with trade references.

If you would like to begin the process of us considering selling your product or service please send your non-returnable product sample or description of your service with literature, pricing and your contact information to:

Purchasing Department
Gas King Oil Co Ltd
1604-2nd Avenue South
Lethbridge, Alberta
Canada T1J 0G2

If, after we have reviewed your products or services, we wish to discuss them further, we will be in contact with you.

Please allow 4-6weeks for a reply.
